1. If the General Dentist's normal fee for any dental procedure is less than the fee listed on this schedule, the dentist will charge 20% off of their normal fee for that dental procedure.
2. Any procedure involving lab and OSHA fees will incur additional costs. All applicable lab and OSHA fees are the full responsibility of the member and are subject to no discount.
3. Fees subject to change.
4. **While all participating Careington providers are professionally licensed in the state in which they practice, Careington does not guarantee the quality of service of the providers. Any quality of care concerns involving any participating Careington provider should be directed in writing to: Careington Corporation, Attn. Provider Relations, PO Box 2568, Frisco, Texas 75034. Please call 800-290-0523 if you have any further questions.**
5. It is the Member's responsibility to verify that the dentist is a participating Provider before seeking any treatment. Any dental procedures performed by a non-participating dentist are not discounted and are charged at the dentist's normal fees.
6. The dollar amount specified adjacent to each procedure may not be the only cost incurred for a given treatment - many treatments may require more than one dental procedure. Please consult your Careington provider for a detailed treatment plan prior to beginning any work.
7. Careington can not guarantee the continued participation of any dentist. If the dentist leaves the plan, you will need to select another participating Careington provider. Not all types of dentists may be available in your area.
8. Fee schedules are determined by the zip code of the participating provider.
